

INGLÉS

TEXTO A: Adult or child?

QUESTIONS. Do not copy literally from the text. (1 punto por respuesta = 4 puntos)

1. Driving, voting, getting married, buying alcoholic drinks, joining the army, going to war, being taken to court if they committed a crime, going to strip clubs, smoking tobacco or vaping.
2. Even if States were free to decide, the Federal Government determined that the drinking age had to be 21 as a result of the rise of car accidents caused by drunken teenagers.
3. No, they don't. A great amount of experts claim that the majority of human brains are not fully developed until the age of 25. Almost all specialists agree that younger people show a tendency to behave with less discipline.
4. Not quite. Parents generally set the age of majority at 18. However, teachers insist that young people lack adult skills; they also provide evidence (for example, binge drinking episodes) that young people are far from ready for adult activities.
5. Fill in the gaps with the correct, most appropriate word in each case. **(0,25 por acierto = 1 punto)**

- A) providing / giving
- B) why
- C) used
- D) period / span / duration

6.A. Rephrase the following sentences so that their meaning is as similar to the original as possible. **(0,25 por acierto = 1 punto)**

- a) Moira wanted to know what time the theatre play had begun.
- b) Greece is not so / as rich as Denmark.
- c) Sarah must have returned the books on time!
- d) The former boss is believed to have earned £90,000 per year.

7.A. Write a composition about the following topic (100-120 words) **(4 puntos)**: Describe your idea of a young adult.

TEXTO B: Stress

QUESTIONS. Do not copy literally from the text. (1 punto por respuesta = 4 puntos)

1. He mentions serious health problems, such as: high blood pressure, insomnia, depression, weight gain, as well as inflammation, heart disease and premature aging as a result of the damage caused to the immune system.

2. Simple breathing exercises, calming morning routines, reducing the time spent on smartphones and social media, improving your eating, drinking and sleeping habits, together with having friendships and a purpose in life or doing things that put you in a good mood or give you pleasure.

3. As soon as people wake up, the first thing they do is take a look at their smartphones and check their e-mails and social media; then, they spend the whole day keeping an eye on their mobile phones, interacting through them even when they are in bed before going to sleep.

4. Definitely, yes. Staying in a park for a quarter of an hour relieves stress and anxiety, looking at photos of trees and nature, or simply relaxing pictures, help reduce heart rates.

5. Fill in the gaps with the correct, most appropriate word in each case. **(0,25 por acierto = 1 punto)**

- A) on
- B) who
- C) lead / get
- D) being

6.B. Rephrase the following sentences so that their meaning is as similar to the original as possible. **(0,25 por acierto = 1 punto)**
