La selección de preguntas deberá realizarse conforme a las instrucciones planteadas, no siendo válido seleccionar preguntas que sumen más de 10 puntos, ni agrupaciones de preguntas que no coincidan con las indicadas, lo que puede conllevar la anulación de alguna pregunta que se salga de las instrucciones.

TEXTO A: Feeling bad

QUESTIONS. Do not copy literally from the text. (1 punto por respuesta = 4 puntos)

1. The text mentions three: something that did not happen as you expected, a period in which you don't feel well, or just after the death of a person you loved.
2. You have no positive emotions and do not feel happy. People around you tend to cheer you up by making you focus on the positive side of things.
3. Feeling bad makes you wiser and stronger as a person, more warm-hearted and tolerant with the world around. It also helps us give shape to our life.
4. You should get out of it as soon as possible. You should accept that you are feeling bad and talk about it, for example, to friends who give you emotional support. Doing physical exercise or taking a warm bath or massage can also be very beneficial.

5. Fill in the gaps with the correct, most appropriate word in each case. (**0,25 por acierto = 1 punto**)

- A) in
- B) up
- C) tend
- D) human

6.A. Rephrase the following sentences so that their meaning is as similar to the original as possible. (0,25 por acierto = 1 punto)

- a) Were you interested by the idea?
- b) Maria must have worked very hard.
- c) I wish I were rich!
- d) I reminded them to write to their mother.

7.A. Write a composition about the following topic (100-120 words) (4 puntos): What happens to you when you are feeling bad? How do you get out of it?

TEXTO B: Germs

QUESTIONS. Do not copy literally from the text. (1 punto por respuesta = 4 puntos)

1. Our hands take germs from one place to another. Hands get other people's germs while they drop germs of their own.
2. One can get rid of germs hidden in clothes by using bleach in your laundry, by washing your clothes in hot water, or by drying them in the tumble dryer for more than 30 minutes.
3. If you use public transport, you get in contact with many people and their germs, and you have more chances of getting sick. Driving or going walking is always safer.
4. Toilet seats and exit-door handles are cleaner than you might think. However, the floor is the dirtiest place. Washing your hands is the most important hygiene measure to take in public restrooms.
5. Fill in the gaps with the correct, most appropriate word in each case. (**0,25 por acierto = 1 punto**)
