TEXTO B: Air travel

QUESTIONS. Do not copy literally from the text. (1 punto por respuesta = 4 puntos)

1. First thing is packing: packing may be stressful because you can never be sure that everything is correct to get through security control. Then, think about rules and regulations: travellers must be aware of the amount of regulations they must follow to get everything right and have no problems when travelling.

2. The decision depends on two factors: the duration of your trip and the type of objects you have to pack.

3. Packing lightly involves choosing a few basic essential pieces of clothing that you can pair and combine in several ways, so that you can create different outfits. Packing lightly saves you money and prevents you from having to carry heavy luggage all the time.

4. With this technique, clothes are rolled up instead of folded (this is the way to minimize or avoid wrinkles in clothes). The heaviest items should be placed at the bottom of the bag, then the rolled clothes, and, finally, the lightest items go on top of everything.

5. Fill in the gaps with the correct, most appropriate word in each case. **(0,25 por acierto = 1 punto)**
